Pre-requisites for the EYL Hatha Yoga Teacher Training

- It is suggested that students unfamiliar with Hatha Yoga classes to take at least a Hatha Basics class at Empower Yoga. We will cover how to teach all styles of classes offered at Empower Yoga. A complete schedule of classes can be found online www.empoweryogalove/classes.
- Students do not need to be experts in any aspect of Yoga, but they do need to have a well-established Hatha Yoga practice that has been consistent for at least 6 months.
- Students should have a love of Yoga and a strong desire to pass that love of Yoga on to others.
 - Students should be in good physical and mental health (minor injuries/illness may be accommodated).

Tuition

- \$2550 for the comprehensive 200-hour Hatha Yoga training, certified by the Yoga Alliance. If paid in full by September 15th there is a \$350 discount, bringing the total to \$2200.
- The full tuition must be paid before the first session or a payment plan can be arranged. We can conveniently work out a payment plan for you. If you are still making payments after Teacher Training Graduation, your certificate will be held until final payment.
- Tuition includes the program teacher training manual that will be handed out at the beginning of the session. Tuition does not include the required text books or yoga mat. It is suggested to buy two blocks and a strap for you to practice with at home.
